

## **FACILITIES**

Our college is having

1. Smart classrooms
2. Hostel facility
3. Vehicle Parking
4. Cafeteria
5. Computer Centre
6. Library
7. All weather approach road
8. Toilets with running water

The existing approach road to the college campus has been improved into an all-weather road, ensuring uninterrupted access throughout the year.

The Principal of the institution took proactive steps by approaching the District Collector and the Municipal Commissioner for improvement of the approach road, resulting in the development of an all-weather access road to the campus.

I submit the following few lines for your kind perusal and favourable action.

1. Government Polytechnic for Women at Palamaner was established during the **annual plan 1985-86**. The Polytechnic offers the Diploma Courses in 4 disciplines, covering *Civil Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering and Commercial & Computer Practice* with strength of 792 students. The Diploma programs prepare the students for entry-level employment in various professional disciplines, and also for studying at an advanced level.
2. Government Polytechnic for Women at Palamaner in Chittoor District is the only residential polytechnic in the erstwhile Chittoor District and the Girl students from various parts of the State are interested to join this polytechnic as it is having Hostel facility within the College campus following high security measures.
3. At present, the existing approach road which is of length 300m & 5.0m width from Highway to the college was laid 30 years ago and maintenance and repair works were not taken up till date.
4. This approach road from Highway to the College gate is being utilized by approximately 100 dayscholar students, parents and 40 teaching and non teaching staff of this institution daily. Also Officials of Irrigation department, AP Civil supplies corporation, faculty & students of Gurukula Patashala and also the residents of near by area are utilizing this approach road.
5. This existing approach road from the highway to the Govt. Polytechnic for women, Palamaner is completely damaged by formation of heavy pot holes and broken patches.
6. The students and staff of this polytechnic are facing difficulty to travel by this road. Also, pregnant women staff are facing lot of difficulties in travelling on the existing damaged road.
7. The same was mentioned as drawback by the AICTE and NBA expert committee, New Delhi during their visit for approval and accreditation process.

8. In view of the above difficulties, it is necessary to lay a new road in place of existing road which is highly damaged and causing accidents frequently.

In these above circumstances, we, the staff of Govt. Polytechnic for Women, Palamaner request the Honourable District Collector, Chittoor to resolve the issue at the earliest, for which act of kindness, we shall ever be grateful to you sir.

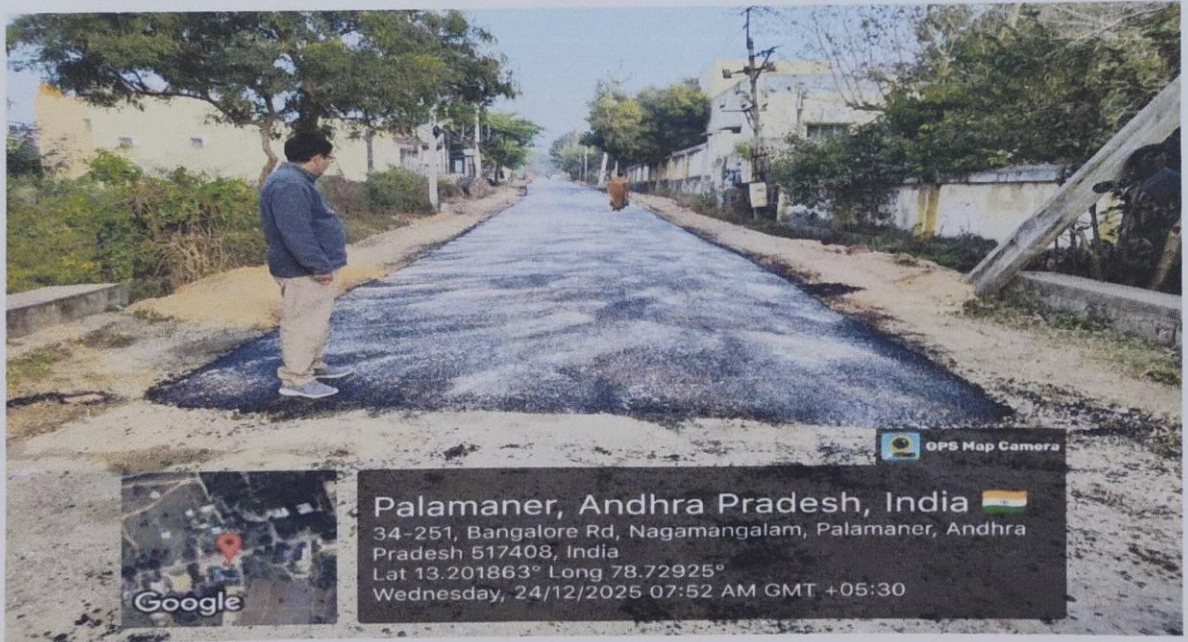

Thanking you sir,

Yours faithfully,
